

## Magnolia Village Request for Attention

There are two ways to submit a Request for Attention form.

1. Go by the office and fill out a paper copy of the form with the park manager.
2. Go onto Rent Manager and fill out an online form. This form will be submitted to the park and followed by the Community Manager, VP of Operations and the President of Bel-Aire Management, LLC. This is the best option for resolution.

If you are not currently using the online form, we suggest that you do.
